

## Weekly production figures

### Burdekin region mills Week 2, ending 25 June 2022

| Cane crushed    | This week      | Season to date |
|-----------------|----------------|----------------|
| Invicta         | 165,117        | 251,629        |
| Pioneer         | 56,487         | 56,487         |
| Kalamia         | 63,021         | 63,021         |
| Inkerman        | 76,542         | 110,160        |
| <b>Burdekin</b> | <b>361,167</b> | <b>481,208</b> |

| CCS             | This week    | Season to date |
|-----------------|--------------|----------------|
| Invicta         | 13.16        | 12.97          |
| Pioneer         | 13.01        | 13.01          |
| Kalamia         | 12.35        | 12.35          |
| Inkerman        | 12.09        | 12.06          |
| <b>Burdekin</b> | <b>12.77</b> | <b>12.69</b>   |

#### Weekly variety performance for region

| Variety | %  | CCS   | Variety | % | CCS   |
|---------|----|-------|---------|---|-------|
| KQ228   | 48 | 12.38 | WSRA17  | 3 | 11.24 |
| Q240    | 30 | 11.98 | Q232    | 2 | 11.34 |
| Q183    | 9  | 13.36 | Q253    | 1 | 10.42 |
| Q208    | 6  | 11.62 |         |   |       |

#### Comments:

Kalamia and Pioneer mills both started crushing on Monday 20 June. All four mills in the Burdekin are now in operation.

Invicta Mill has settled down and recorded the highest weekly throughput on record for week two of a season. Inkerman Mill is still experiencing some commissioning issues with the newly installed B-side feeding station. Kalamia and Pioneer had reasonable starts and are going through the normal commissioning phase.

The total weekly throughput for the Burdekin mills was just over 360,000 tonnes of cane. This was above our budget for week two.

The average weekly CCS was 12.78, which is still trending slightly below budget. The highest CCS sample was 16.7 from a rake of Q240 1st Ratoon in the Stockham Rd productivity zone (Invicta).

With school holidays under way, parents and carers are urged to remind children of the dangers associated with cane trains. Children should keep well away from the cane rail network and never play on or around cane bins.
