Comments:

Throughput for the week was just under 390,000 tonnes which is above budget. This brings the total for the season to date to 4.34M tonnes, which is ahead of the budgeted 4.29M tonnes for this stage of the season.

Major stops were at Pioneer where a 14-hour cleaning intermission was extended to 21 hours to carry out essential boiler maintenance, and Invicta which had a 12-hour cleaning intermission.

Inkerman recorded its highest weekly throughput for the season to date of 91,299 tonnes.

CCS increased again from last week and at 15.08 is above budget.

The highest CCS recorded for the week was 18.5 from two rakes of Q240 1R supplied from the Stockham Rd and Leichardt productivity districts.

Parents and carers are asked to remind children to stay away from the cane railway network. Members of the public are urged to report any suspicious activity around our cane rail line to the police.
