

YARRAVILLE REFINERY

At a glance

Sugar Australia's Yarraville Refinery in Melbourne is Australia's longest-established sugar refinery, having commenced operations in 1873.

Bulk raw sugar is delivered to our wharf facilities on the Maribyrnong River.

The raw sugar is refined and manufactured into a large range of sugar products for the industrial, foodservice and retail markets.

Many of our products are sold under the iconic CSR Sugar brand.

Each year, at our Yarraville Refinery, we:

Manufacture

160,513 TONNES
of white sugar*

Make

16,325 TONNES
of specialty sugars*

Produce

6,198 TONNES
of syrup*

Manufacture

100,696 TONNES
of liquid sugar*

Invest

\$14.2 MILLION
in capital and
maintenance*

Provide jobs for

148
Victorians

Pack

42,809 TONNES
of sugar for retail,
foodservice and industrial*

**Figures are an annual average 2019-2021*

Sugar Australia is a joint venture between Wilmar Sugar Australia (75%) and Mackay Sugar Limited (25%).
