Comments:

The Herbert mills processed just over 199,000 tonnes of cane for the week.

Victoria Mill has passed the 1.5M tonnes milestone, and the Herbert mills have collectively processed more the 2.3M tonnes of cane season-to-date.

CCS levels remain below budget at 13.48 units, having risen 0.4 of a unit from the previous week. The season-to-date average is now sitting at 12.86 units.

Victoria Mill will undertake a 12-hour cleaning intermission on A-side together with a six-hour B-side maintenance stop on Tuesday, 26 September. Macknade Mill will undertake a 12-hour cleaning intermission this Thursday, 28 September.

With the September school holidays currently in progress we again ask parents and carers to remind children to keep clear of our cane railway network at all times.
