Comments:

The Herbert mills processed just over 202,000 tonnes of cane for the week, bringing the season-to-date total to just over 3.5M tonnes.

Weekly CCS trended slightly higher than the previous week at 13.28 units, with the season-to-date average settling at 13.01.

Victoria Mill's A-side will stop for a 12-hour cleaning intermission on Tuesday 7 November. Macknade Mill has scheduled a 16-hour stop for a cleaning intermission and preventative boiler works this Thursday 9 November.

Please continue to use your train brain and remain alert around our cane rail network. Do not linger near any part of the rail network, and only cross the line using designated crossings.

Remember our locos are towing heavy loads and can take up to 1km to come to a complete stop.
