Q232	7.5	12.09	Q231	1.6	10.50

Comments:

Macknade Mill's 2024 production season commenced on Tuesday 25 June.

The factory stopped operations on the second day of production, due to widespread rainfall and the associated cane supply gaps.

Cane trains are now operating around the clock, across our cane rail network. Please remember to use your train brain and always give way to cane trains.

Chris Winship
Cane Supply Manager
Herbert Region
