Q232	8.2	11.71	Q240	2.1	11.87
SRA28	3.6	12.03	SRA14	2.0	11.64

Comments:

Close to 191,000 tonnes of cane was processed for the week, bringing the season-to-date total for the Herbert to about 709,500 tonnes.

The average weekly CCS was 12.64 which was above budget despite the wet weather impact.

Thank you to the harvesting groups for continuing to communicate well with the traffic office to optimise loading.
