Comments:

Just over 194,000 tonnes of cane were crushed for the week, bringing the season-to-date total to more than 2.6M tonnes.

The average weekly CCS was 12.28 which is below the season-to-date average of 12.56.

Our field logistics team is currently reviewing the estimate for the region in preparation for the end of season run.

Growers are reminded to submit a re-estimate request if they are not confident of the current projection for the farms.

Please continue to use your train brain and always take care around our cane rail network. Our cane trains are working 24 hours a day, seven days a week.
