Comments:

The Herbert mills processed close to 195,000 tonnes of cane for the week, bringing the season-to-date total to 2.56M tonnes.

The average weekly CCS was 13.13 and remains above the season-to-date average of 12.77 units.

The next Long Pocket Bridge upgrade works are scheduled for Wednesday 8 October. We have also scheduled a maintenance day for Victoria Mill for the same day.

We would like to thank harvesting groups for their ongoing communication with the traffic office. A reminder to please ensure all field book tickets are checked and filled out correctly.

Please remember to stay cane train aware, particularly when approaching crossings.

Our cane trains work around the clock, seven days a week.
