#### Comments:

The Herbert mills processed more than 192,000 tonnes of cane for the week, bringing the season-to-date total to 2.75M tonnes.

The average weekly CCS was 12.99 and remains above the season-to-date average of 12.79 units.

The next Long Pocket Bridge upgrade works are scheduled for Thursday 16 October. We have also scheduled a maintenance day for Victoria Mill for the same day.

A reminder to the harvesting sector to have all changes into the traffic office by 12 noon please.

A second reminder to please ensure all field book tickets are checked and filled out correctly.

Please remember to stay cane train aware, particularly when approaching crossings.

Our cane trains work around the clock, seven days a week.
