Comments:

Close to 210,000 tonnes of cane were crushed for the week.

Average CCS levels improved slightly to end the week at 13.52 units. The season to date CCS is now 12.31 units.

Victoria B-side mill undertook a scheduled maintenance and cleaning stop on Tuesday.

Victoria Mill's A-side will undertake a 12-hour cleaning intermission on Wednesday 9 September.

Locomotive camera vision has revealed that motorists are continuing to engage in dangerous behaviour at cane rail crossings, such as ignoring flashing lights and racing trains through crossings.

Motorists are reminded that CCTV footage of these types of incidents is provided to police.
