CSA Schedule 1 B – GEI Marketing Nomination

You can choose one or more Grower Economic Interest Sugar Marketing Entities (GEIM) before the Marketing Nomination Date for a relevant season. You can choose your GEIM for the next season, or for all three seasons shown, you can change your GEIM nomination at any time up until the Marketing Nomination Date. Before making change, growers should check what commitments they have, if any, to a GEIM which may limit their ability to make such change by agreement with that GEIM or give rise to financial consequences for doing so.

If you do not choose a GEIM for all or a portion of your GEI Sugar before the Marketing Nomination Date of the first relevant season for your CSA, then any unallocated GEI Sugar will be marketed by Wilmar Sugar Australia Trading (WSAT) as per clause 8.3 in the Cane Supply Agreement. For all subsequent relevant seasons, as per clause 8.3 in your Cane Supply Agreement, if you do not choose a GEIM for all of your GEI Sugar before the Marketing Nomination Date, your default will be based on your prior seasons Marketing Nomination.
