

Engineer a sustainable future

with Wilmar Sugar and Renewables

\$10,000 SCHOLARSHIP

About the scholarship

The Wilmar Sugar Australia Undergraduate Scholarship package is designed to support engineering students in their final year of studies. Successful applicants will receive a \$10,000 scholarship, paid work placements with Wilmar Sugar and a direct application pathway into the Wilmar Sugar Graduate Program on successful completion of their degree.

Eligibility criteria

Applicants must be:

- > An Australian citizen or permanent resident
- > A current James Cook University student
- > Due to complete a Bachelor Degree in Engineering in 2025.

Application process

Applications to the scholarship program must include:

- > Resume
- > Latest academic transcript
- > Written responses to the following questions (max. 600 words):
 - What is your understanding of the role of the sugar industry in the biofutures economy?
 - What excites you about a potential career with Wilmar Sugar and Renewables?
 - How have you demonstrated the Wilmar values in your studies or in the community?
 - What would this scholarship mean to you and your studies?
- > Candidates should email completed applications to learninganddevelopment@au.wilmar-intl.com by **15 September 2024**.
- > Applications will be shortlisted for face-to-face panel interviews, and successful applicants will be notified by **13 October 2024**.

Our offer

- > \$10,000 paid in two \$5,000 instalments
- > Paid vacation work placements
- > Pathway into our Graduate Program

Your pledge

- > Maintain a GPA of 5.0 or higher while receiving the scholarship
- > Commit to paid vacation work placements
