Golf day proceeds to help Proserpine youth

Proserpine youth are set to benefit from the proceeds of the 2015 Proserpine Mill Farmers and Millers Golf Day.

The 4 December event was a great success, attracting more than 120 players.

Proserpine Mill Site Manager Danny Van der Berg said \$1690 was raised on the day through player fees.

He said the proceeds would be donated to the Proserpine Youth Space.

“The Youth Space provides a great service to assist young people in our community,” he said.

Proserpine Youth Space Co-ordinator Donna Lawrence said the money would be used to refurbish the centre’s counselling room.

“The funds will help to make the space more comfortable,” she said.

“We are very grateful to Wilmar Sugar for the donation and thank everyone who participated in the golf day.”
