	This week	Season to date
Cane crushed	0	141,126
Average bin weight	0	3.84
CCS	0	11.57

Cane variety performance for region

Variety	%	CCS	Variety	%	CCS

Comments:

No cane was harvested or crushed this week due to the significant rain event early in the week.

We are in regular communication with growers and contractors to determine when suitable field conditions will allow harvesting to resume.

Although crushing is currently suspended, please remain cautious around the cane rail network, as track maintenance and training operations will be ongoing.

Thanks to all members of the community for ensuring an incident-free school holiday period.

Jim Kirchner
Cane Supply Manager
Plane Creek Region
