#### Comments:

Plane Creek Mill processed 60,310 tonnes of cane for the week, bringing the season-to-date total to more than 1,212,000 tonnes.

There was a marginal improvement in average bin weights as harvesting conditions improved following the previous week's rainfall.

Average weekly CCS was 13.05, down slightly from 13.30 the previous week. The season-to-date CCS closed out at 14.14 units.

The highest CCS was 16.65 units from a rake of Q183 5<sup>th</sup> Ratoon from the Carmila productivity district.

Please continue to use your train brain and remain alert around our cane rail network. Do not linger near any part of the rail network, and only cross the line at designated crossings.

Remember our locos are towing heavy loads and can take up to 1km to come to a complete stop.
