Comments:

Plane Creek Mill wrapped up the 2023 season on Friday, 29 December, with the last cane processed at 2.12am.

The mill processed 2,376 tonnes of sugarcane in its final week, bringing the total for the 2023 season to just over 1.30 million tonnes.

I would like to acknowledge the effort that was put in by growers, harvesting contractors and Wilmar employees to complete this year's crush.
