Average CCS rose by 0.2 of a unit over the previous week, closing out at 14.62 units. The year-to-date average is now sitting at 13.63 units.

Standover cane made up 6.5 per cent of the week's cane supply.

With school holidays still under way, parents and guardians are once again reminded to warn their children of the dangers of playing near cane railway lines.

Families and visitors who are doing road trips over the school holidays are reminded to use their train brain and always give way to cane trains.
