#### Comments:

Plane Creek Mill processed just over 57,600 tonnes of cane for the week, bringing the season total to just under 1 million tonnes.

Average CCS dropped by 0.12 of a unit over the previous week, closing out at 14.61 units. The year-to-date average is now sitting at 14.09 units.

Standover cane made up approximately three per cent of the week's cane supply.

The highest CCS honour for the week was a rake of Q183 plant cane from the West Hill productivity area with a CCS of 17.25 units.

Please continue to use your train brain and remain alert around our cane rail network. Do not linger near any part of the rail network, and only cross the line at designated crossings.
