Comments

Proserpine Mill processed close to 75,900 tonnes of cane for the week. Throughput was above budget and brought the season total to 347,316 tonnes.

Average weekly CCS came in above budget, at 14.24 units.

The highest CCS sample for the week was 16.35 units, from a rake of Q208 plant cane in the Lethebrook productivity district.

Last week saw a welcome rise in bin weights with a weekly average of 9.52 tonnes, with Thursday recording an average of 9.72 tonnes of cane per bin for the day's loading.

Motorists are reminded to look out for cane trains and only cross cane rail lines at designated crossings

A fully loaded cane train can take up to one kilometre to pull up. Our cane trains work around the clock, seven days a week
