

FOR THE RECORD

WILMAR'S CONTRIBUTION TO THE PLANE CREEK AND SARINA REGION

Wilmar continues to invest for a sustainable sugar industry in Plane Creek and Sarina. Since 2010, when Wilmar purchased Sucrogen from CSR, we have invested heavily in Plane Creek Mill, the Sarina BioEthanol Distillery and the extensive cane rail network.

We are an Australian leader in agricultural bioindustry. Our mill produces raw sugar, molasses and renewable energy which is exported to the grid. We are also a major producer of bioethanol, bio fertiliser and liquid stockfeed.

Each year, on average:

Our Plane Creek Mill produces around **170,000 tonnes** of raw sugar

We have about **20** apprentices in trade training at Plane Creek Mill and Sarina Distillery

Plane Creek Mill crushes around **1.2 million tonnes** of cane
Its annual crushing capacity is more than **1.5 million tonnes**

Cane payments to growers supplying our Mill are about **\$47 million**

The capital and maintenance spend on Plane Creek Mill exceeds **\$17 million**

The renewable energy generated by Plane Creek Mill is more than **25,000 MWh**

Our Plane Creek cane rail network has

168km of track
8 locomotives
2,448 cane bins

Plane Creek Mill exports almost **2,000 MWh** of renewable energy to the grid

Our Mill produces close to **40,000 tonnes** of molasses
